

Pragatik Shikshan Sanstha's
Nutan Arts College, Rajapur
Annual Report 2024-25
Department of Commerce

In the academic year 2024-25, 40 students in the first year of Commerce, 70 students in the second year of Commerce, and 36 students in the third year of Commerce took admission in the Department of Commerce of the Institute of Advanced Education, Nutan Kala, Commerce and Science. Various types of activities have been implemented for the students in the academic year 2024-25. The Department of Commerce is headed by Professor Gunjal R. S. Along with her assistant professor Khatode P. M. and Professor Deshmukh S. S., various programs and activities were organized for the students under the Department of Commerce. In this, International Commerce Day was celebrated with enthusiasm in the college on 5th August 2024. Along with this, student welcome ceremony, Yoga Day, tree plantation, NSS, etc. programs were organized in the Department of Commerce. The students of the Commerce department participated enthusiastically in this.

The students of the Commerce department were provided with the opportunity of Value Added Course (Add on, Course). Also, students of the Commerce Department visited a plastic manufacturing project in Khandgaon, visited Pali, Unhere (hot water tank), Khopoli, Alibag, Harihareshwar, (Klokhand manufacturing Vibhor Steel Tube Pvt. Ltd. company for field visits. Also, Jindal salu ododme Raigad was visited. For students completing their diploma with a special subject in banking business and finance, students were guided by visiting IDBI Bank branch Rajapur to get first-hand information and experience of the bank's operations.

Visited the Jayakwadi project in Chhatrapati Sambhajnagar. Students are guided to have an inclination towards vocational education rather than just formal education. Lectures are organized under the department to provide guidance from experts on various subjects for the all-round development of students. Students were guided for various competitive exams, and guidance was given regarding various seats available for competitive exams. Special Under the guidance, through the program 'Scientist Meets You', the students received invaluable guidance from the scientist Dr. Raoji Shinde, known as Magnet Man.

Various cultural programs were organized under the Commerce Department. In these, Mehndi Competition, Rangoli Competition, Culinary Art Competition, Flower Design Competition, Costume Competition were organized. Students participated spontaneously in these. The college administration, Principal, Professors and Non-teaching staff all provided valuable support for various programs and activities in the Commerce Department and for implementing the National Education Policy (NEP).
