

Nutan Arts, Commerce And Science College, Rajapur

Report on Constitution Day Celebration

Organizers: Political Science Department, National Service Scheme (NSS), and Student Development Board

The college successfully organized a dedicated program to commemorate Constitution Day on November 26, 2025. The event was a collaborative effort by the Political Science Department, the National Service Scheme (NSS), and the Student Development Board, aiming to educate the college community on the foundational principles of the Indian Constitution.

The session was graced by the presence of the Principal, Dr. Babasaheb Varpe, who presided over the program. The event featured two chief speakers, Prof. Amol Kharat and Prof. Chandrakant Harde, who provided illuminating addresses on the significance of the day. Their joint session focused on two critical areas. The Process of Constitution Making: Detailed historical and procedural information regarding the creation of the Constitution. Rights and Duties: An in-depth discussion on the fundamental rights guaranteed to citizens and the corresponding duties they owe to the nation.

A highlight of the program was the collective reading of the Constitution. Led by Prof. Omkar Thorat, all attendees, including faculty and students, participated in loudly reciting the Preamble and other key sections of the Constitution.

The successful organization of Constitution Day reinforced the college's focus on promoting civic responsibility and constitutional literacy among its students.

The program was efficiently coordinated by Dr. Pravin Asher, who performed the Master of Ceremony duties, ensuring a smooth flow of events.
